

Providing free flights, so children and adults can meet medical and personal needs, since 1996.

Angel Flight Northeast Good News Report & Forthcoming Events

May 2013

Hello Everyone!

It looks like spring has finally arrived.

I'd like to take a moment to say that our thoughts and prayers are with all who were affected by the tragic events that took place in Boston on Patriots Day and the days that followed. We are here to help in any way possible. In collaboration with Mercy Medical Airlift, we issued a joint press offering both organization's free air transportation services to those who need our assistance.

[Angel Flight NE & Mercy Medical Airlift Join Forces to Assist Boston Marathon Victims and Family Members](#)

We've been in touch with many other organizations coordinating support for the victims and their families. If you know someone who could benefit from our free air transportation services, please have the contact us.

We have some wonderful events coming up throughout the year so be sure to mark your calendar and join us. Events include the following:

- Family Fun Day Fundraiser for AFNE (May 11, 2013)
- The Art of Transportation (May 31, 2013)
- AFNE Pilot Appreciation Fly-In & Safety Day (June 15, 2013)
- Summer Soul MV (August 12, 2013)
- Third Annual Ride for Angels Cycling Event (September 8, 2013)
- Martha's Vineyard Fashion Week (Week of September 16, 2013)
- 16th Annual Evening of Angels Gala (November 22, 2013)

Angel Flight Northeast will be celebrating its 17th year anniversary on May 31st. Since Angel Flight Northeast's first flight in 1996, our mission coordinators have scheduled more than 60,000 flights and our 1,000+ Volunteer Pilots have flown over 12 million miles providing more than 65,000 patients and their families free air transportation to medical care. This would not be possible without our volunteer pilots, earth angels, sponsors and supporters. *Thank you!*

Requests for our services continue to increase so please consider supporting our mission with a donation or by supporting an event. **Every dollar raised makes a direct and meaningful impact to the patients and families we serve.**

Together, we can change lives one flight at a time.

Warmest regards and deepest appreciation,

Larry Camerlin
President, Founder & Volunteer Pilot
Angel Flight Northeast

Mt. Kilimanjaro Climb Dedicated to Angel Flight NE

AFNE volunteer pilot Dr. Karim Malek, MD is fulfilling a life-long dream this summer by embarking on a journey to climb Mount Kilimanjaro, Africa's highest peak. His journey will start in Tanzania on July 15 and will take him through an 8-day trek up Mt. Kilimanjaro by way of the Lemosho Route, a scenic route that approaches the mountain from the west.

Certainly this is a wonderful milestone in Karim's life but to get there, he will need to surmount many obstacles. This is why he would like to dedicate this effort to fellow men and women, children and adults alike, who have their own mountain to climb: sick patients. He would like to build awareness of Angel Flight NE, a charity

organization that is dear to him.

His hometown paper, The Canton Citizen, recently published an article on Karim's efforts. Click [here](#) to read the complete article.

More information about Karim's climb can also be found on AFNE's [website](#).

Wayland resident offers hope through Angel Flight

AFNE Volunteer Pilot Charlie Tillett was recently featured in an article that appeared in the Wayland Town Crier. Since 2002, Tillett has channeled his passion for flying into 56 missions for Angel Flight. Many of his passengers live in remote areas far from specialized medical care. Others are seeking treatments not available near their homes.

A Picture is Truly Worth a Thousand Words

What's better than Mendel's big smile with his new friend, Mr. Potato Pilot Head - donated by Hasbro Toys. In collaboration with JetBlue, Angel Flight Northeast coordinated a flight for Mendel and his family to fly from New York to California so he can receive treatment for a congenital heart defect. Mendel is just one of the thousands of children we help every year.

Please consider supporting Angel Flight NE's mission today so we can help others like Mendel receive the care they need.

Maine Aroostook County American Legion Posts Join Force for a Meaningful Cause

Within Aroostook County located in Northern Maine, the American Legion Posts from the 16th and 17th districts joined forces through various fundraisers and activities to raise over \$14,000 and awareness for Angel Flight Northeast. AFNE provides countless amounts of time and energy, coordinating with private pilots, using their aircrafts, to provide individuals who are in need with free transportation to and from major hospitals where specialist and state-of-the-art medical equipment are made available to them.

On Saturday, April 20th, representatives from AFNE along with Lloyd Woods, Adjutant of the American Legion Department of Maine, and Madawaska American Legion Post #147's members Roger Corbin and Herb Albert, Chairman of the Board for Post #147, visited several American Legion Posts throughout Aroostook County that were holding numerous benefit events and activities in honor of AFNE. They were also joined by Barbara Hayslett, District Representative for Congressman Mike Michaud and Peter W. Ogden, Director of the Bureau of Veterans' Services in Maine.

The [St. John Valley Times](#) published a great piece on the American Legion's efforts.
