INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Angel Flight of New England, Inc. North Andover, MA 01845

Opinion

I have audited the accompanying financial statements of Angel Flight of New England, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Angel Flight of New England, Inc. as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Angel Flight of New England, Inc. and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance, of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Angel Flight of New England, Inc.'s ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Angel Flight of New England Inc.'s internal control. Accordingly,
 no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgement, there are conditions or events, considered in aggregate, that
 raise substantial doubt about Angel Flight of New England, Inc.'s ability to continue as a going
 concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE A - ORGANIZATION AND PURPOSE:

Angel Flight of New England, Inc. (the Organization) was established as a non-profit organization in March, 1996. The organization coordinates the provision of non-emergency air transportation to individuals needing medical care. An extensive network of approximately 400 volunteer pilots, and a support staff of (7), provide this service with their own aircraft to and from destinations primarily throughout the New England area. The Organization occupies an office as a tenant at will at the Lawrence Municipal Airport in North Andover, MA and incurred \$3,378and \$2,858 of rent in 2022 and 2021, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting - The financial statements have been prepared on the accrual basis of accounting.

<u>Estimates</u> - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

<u>Revenue and Revenue Recognition</u> — The Organization recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of beneficial interest is received. Conditional promises to give- that is, those with a measurable performance or other barrier and a right of return — are not recognized until conditions on which they depend are met.

In accordance with financial accounting standards, the Organization records contributions received as without donor restrictions or with donor restrictions depending on the existence and or nature of any donor restrictions. Restricted net assets are reclassified to net assets without donor restrictions upon the satisfaction of the time or purpose restrictions.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Support that is restricted by the donor, grantor or other outside parties for particular operating purposes or for fixed asset acquisitions is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized.

<u>Property and Equipment</u> - Property and equipment are stated at lower of cost or fair market value if received as a donation. Expenditures for maintenance and repairs are charged against operations. The Organization has received significant amounts of computer equipment donated by manufacturers for use in coordinating the provision of air transportation. These items have been recognized as revenue in the period received at conservative valuations based upon market value.

Depreciation is computed using the straight line method over the estimated useful lives of 5-10 years.

<u>Income Taxes</u> - The Company has been determined to be an organization exempt from federal and state income tax under Section 501(c)(3) of the Internal Revenue Code.

<u>Cash and Cash Equivalents</u> – Cash is the sum of all checking, savings and money market accounts maintained by the Company.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)

<u>Grant Revenue</u> – The Organization recognizes grant revenue and expenses as these amounts are received and incurred.

<u>Contributions</u> – The Organization receives cash contributions from various sources. Donations are recognized as support when received. Unless specifically restricted by the donor, all contributions are considered to be available for unrestricted use.

<u>Vacation Pay</u> – The Organization does not accrue vacation pay as earned. The amount is not considered material.

<u>Functional Allocation of Expenses</u> — The costs of providing the program and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited primarily by allocating costs according to salary amounts in each functional category.

<u>Reclassifications</u> – Certain reclassifications have been made to the prior year amounts to conform with the current presentation. Total net assets and change in net assets are unchanged due to these reclassifications.

<u>New Accounting Pronouncement</u> – Effective in 2022, the Organization is subject to Accounting Standards Update (ASU) No. 2016-02, Leases, which requires lessees to recognize leases on the statement of financial position and disclose key information about leasing arrangements. The only lease the Organization has is the office lease as a tenant at will which is not subject to this standard.

The Organization has also adopted Accounting Standards Update (ASU) 2020-07, Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets as management believes the standards improve the usefulness and understandability of the Organization's financial reporting. The ASU has been applied retrospectively for the periods ended December 31, 2022 and 2021, as required.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE C - CONTRIBUTED NON-FINANCIAL ASSETS:

The Organization received and utilized the following non-financial assets for the years ended December 31, 2022 and 2021.

	2022	2021
Air transport services. The contribution amount is derived from a third party provider, VPOIDS, a non-profit organization representing volunteer pilots and a CPA firm (Conklin & Decar) is retained by VPOIDS to determine the average hourly cost for all the planes reported by the pilots and other Angel Flight affiliates.		
VPOIDS provided Angel Flight of New England, Inc., with the value of pilot flown missions and the value of the volunteer pilot services. Angel Flight staff determines the value of the commercial partner donations. The value of the three components for the years ended December 31, 2022 and 2021 are as follows:		
Pilot flown missions	\$1,708,710	\$2,263,203
Volunteer pilot services	96,800	115,320
Commercial partner	113,746	114,473
Legal fee, valued at the standard hourly rate of the K & L Gates Law Firm.	33,110	40,787
Total	<u>\$1,952,366</u>	<u>\$2,533,783</u>

NOTE D - CASH EXCEEDING FDIC LIMIT:

The Organization maintains cash balances that exceed FDIC insurance limits. Management feels that the risk of loss is minimal since the financial institutions where the funds are deposited have a long history of sound financial performance. The total cash at M & T Bank is \$826,453 as of December 31, 2022; \$576,453 exceeding the FDIC limit.

The Organization also has \$850,569 in a Treasury Money Mark fund that is not covered by FDIC.

NOTE E - RELATED PARTY TRANSACTIONS:

The Organization paid the Executive Director \$6,000 in 2022 and 2021, respectively for the rental of an airport hangar.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE F - SUBSEQUENT EVENTS:

Transactions subsequent to the year ended December 31, 2022 have been evaluated through June 23, 2023, the date the financial statements were available to be issued. No events were noted that could have a material impact on the financial statements.

NOTE G - OPEN TAX YEARS:

Forms 990 filed for the years ended December 31, 2019 - 2022 remain open to audit by the Internal Revenue Service. No audit proceedings have been initiated.

NOTE H - DONOR RESTRICTED ASSETS:

1) Fuel Reimbursement

Over the last several years the Company has received funds from donors to provide fuel reimbursement to the volunteer pilots. Reimbursements to the pilots were \$37,700 and \$37,733 in 2022 and 2021, respectively. There is a balance of \$76,904 available for pilot fuel reimbursement as of December 31, 2022.

2) Grant ~ Alexion Charitable Foundation

The Organization received a grant for \$200,000 from Alexion Charitable Foundation. The funds are to be utilized to support existing programs providing air and ground transportation, lodging, community outreach and purchase of mailing and e-mail lists for organizations that are specifically addressing rare and ultra rare diseases to disseminate messaging about the Organization's services. The term of the grant is January 1, 2022 through December 31, 2022.

3) Grant ~ Hasbro Children's Fund

The Organization received a grant for \$40,000 from Hasbro Children's Fund to provide support to existing programs with an emphasis on patients needing pediatric physical or mental health programs and services. The term of the grant is January 1, 2022 through December 31, 2022.

NOTE I - 401-K PLAN:

In 2018, the Organization adopted a 401-K Plan covering all full time employees. Employer matching contributions paid in 2022 and 2021 were \$17,380 and \$14,506, respectively. The matching contribution is 100% of the first 3% the employee contributes and 50% of the next 2%. The employer matching contribution is a total of 4%.

NOTE J - ADDITIONAL ANGEL FLIGHT CHAPTERS:

The Organization has incorporated (8) other Angel Flight chapters in (6) surrounding states that management feels will be helpful if there are attractive fund raising options in a particular state. So far the New Hampshire chapter has been actively fund raising in that state.
